IN THE COMMUNITY

Our partners are instrumental in supporting the mission of The Gathering Place. We recognize that everyone has different needs while coping with cancer and by working with our local healthcare systems, we meet people where they are on their cancer journey.

The Gathering Place is pleased to partner with MetroHealth Cancer Center by providing free resources for cancer for patients and their family members. The Gathering Place staff will be on location at the MetroHealth Main Campus the following days and times:

MONDAYS 1:00-3:00PM AND THURSDAYS 10:00AM-12:00PM
Find out more by visiting metrohealth.org/cancer/the-gathering-place.

Our team continues their work with University Hospitals Seidman Cancer Center. TGP Clinical Staff Members, Andrea Sonnie LISW-S, OSW-C and Stephanie Hopkins MS, RDN, LD, serve as Clinical Community Liaisons providing patients and their loved ones with information about The Gathering Place's free programs and services.

This summer, The Gathering Place and Cleveland Clinic's South Pointe Hospital are developing relevant programming for Warrensville Heights residents and those in the surrounding communities faced with cancer.

WAYS TO *give.*

Our mission at The Gathering Place is to support, educate and empower individuals and families currently coping with the impact of cancer in their lives through programs and services. One of the things that sets The Gathering Place apart is that everything we offer is completely free of charge, thanks to the generous support of our donors. You can ensure that others are able to have this invaluable resource on their journey by making a gift today.
